

Friendship for Wilson is Shown in Montevideo.
MONTVIDEO, Dec. 25.—The Christmas celebration programme in Montevideo included the opening in the afternoon, by the main hall, of the street named in honor of President Wilson, the Avenida Wilson, and the setting of a marble tablet in honor of the American President. Sailors and marines from Admiral William B. Cagerton's squadron were entertained at a Christmas Eve at a dinner given by the city.

GOOD WILL WON IN ARMY FOLLOWS THIS BOY HOME

His Captain Commends New Yorker in Unusual Letter to Mother.

The following letter to the mother of a New York soldier shows the almost paternal interest which many officers take in their "boys" and how it follows them from the army out into civil life. It also explains just what the Government does for the discharged soldier.

14TH COMPANY, PORTLAND C. A. C. FORT HALDWIN, MAINE
 "My Dear Mrs. Hayes:
 "In a few days your soldier will receive his honorable discharge and start for home.
 "He is bringing many fine qualities

of body and mind which he has acquired or developed in the military service. The army has done everything it could to make him strong, fine, self-reliant, yet self-controlled. It returns him to you a better man.

"You have been an important member of that great Army of Encouragement and Mutualism, which helped to make him, and us all, better soldiers."

JOSEPH W. HAYES.

of body and mind which he has acquired or developed in the military service. The army has done everything it could to make him strong, fine, self-reliant, yet self-controlled. It returns him to you a better man.

"His fare and necessary expenses to his home will be paid by the Government. He will receive all pay due him. He may, if he wishes, wear his uniform for three months from the date of his discharge. The Government will also allow him to keep up for the benefit of his family, his insurance at the very low rate he is now paying.

"He returns to civil life with new problems for you both to solve. The qualities he brings back will help you now as your encouragement helped him while he was away, and in your hands and his rests the future of our country.

"As his commanding officer, I am proud of him. He has done as duty well. I and his comrades will bid him goodbye with deep regret and wish him every success after he returns home, that spot in every man's heart no other place can fill.

Sincerely yours,
 "E. O. REED, Captain, C. A. C."
 "Commanding Officer."

Gifts at Greenwich House to 500 Children.

Greenwich House, at Barrow and Bleecker Streets, was the scene of a party given to 500 children, mostly of Italian descent, who, under the supervision of Mrs. Alfred E. Smith, wife of the Governor-elect, and Mrs. James J. Walker, wife of the Senator-elect of the district, were treated to ice cream and cake, toys and an entertainment. A twenty-foot tree, brightly illuminated, was donated by John Goldstein.

\$4,300,000 IS FAVORED TO IMPROVE N. Y. HARBOR

It is Recommended for Keeping Up Dredging and Other Improvements.

WASHINGTON, Dec. 25.—A total appropriation of \$4,300,000 for the East River and New York Harbor is recommended by the Committee on Rivers and Harbors in the bill making appropriations for the fiscal year ending June 30, 1920. This is to carry on work of dredging and to continue improvements started.

The Chesapeake and Delaware waterway gets a total of \$2,000,000. A large part of the work in developing this waterway will be across New Jersey. Eventually it is planned to have a waterway inland from Boston to Norfolk, Va. Continuation of the 25 foot project for the Delaware River from Philadelphia to the sea gets \$2,500,000.

Other appropriations recommended in New York are Newtown Creek, \$255,000; Ogdensburg Harbor, \$24,000; Oswego Harbor, \$38,000; Buffalo Harbor, \$178,400. An appropriation of \$250,000 is recommended for the Tappan River and \$100,000 for the Shrewsbury in New Jersey.

The total carried by the bill as reported by the House committee is \$28,000,000.

NO MATCH FOR POLICEMAN.

Two Youths He Says Attacked Him Are Subdued and Arrested.

Albert Cross, nineteen, of No. 426 West 158th Street, and George Nelson, nineteen, of No. 601 West 132d Street, were arrested early yesterday on a charge of disorderly conduct by Lieut. John Higgins of Traffic Squad C. The lieutenant said he was on his way in civilian clothes to his home at No. 468 West 148th Street when he met the two youths alighting from a car. He told them to be quiet, whereupon they attacked him, he said. He fought back, subdued them and took them to the West 129th Street Station. Higgins had an injury to one eye caused by Dr. McMahon of the Knickerbocker Hospital.

ONLY MEDICINE MADE FROM FRUIT

Extraordinary Success which "Fruit-a-tives" Has Achieved

One reason why "Fruit-a-tives" is so extraordinarily successful in giving relief to those suffering with Constipation, Torpid Liver, Indigestion, Chronic Headaches, Neuralgia, Kidney and Bladder Troubles, Rheumatism, Pain in the Back, Eczema and other Skin Affections, is because it is the only medicine in the world made from fruit juices.

These "Fruit Liver Tablets" are composed of the medicinal principles found in apples, oranges, figs and prunes together with the nerve tonics and antiseptics.

NOW--Extraordinary Clearance of Women's and Misses' Apparel

New and Sweeping Reductions in Price on Winter Fashions

TRUE to our policy of always keeping our apparel stocks fresh and interestingly new, we force out our collection of new Winter Clothes to make way for the first comers among the Apparel for the South and for Spring.

So far, Winter has scarcely made any demands at all upon one's wardrobe, which makes it all the more to be expected that the seasons will now proceed to "average up." Hence, it is indeed fortunate for a woman to be able to buy, at the lowest prices of the season, the clothes that she will need to carry her through the next three or four months.

Especially is it an advantageous time for women who have Christmas money to spend to invest it in a way that will bring them vastly greater returns in value than usual. Price savings are very great—as the following table shows. In fact, the reductions in price are so drastic that there can be
